

If you only have 15 minutes free today...

- 1) Read your child a story and ask them to help you pick out the sounds / words they know.
- 2) Do the Maths activity – this should only take 5-10 minutes.
- 3) Do a craft activity with your child – why not sit opposite each other and paint a picture of each other?

Listen to the 'Chocolate' song (click the hyperlink to view). Create a performance to it. You could sing, dance, play an instrument or all 3! Why not upload your performance to Tapestry for your teachers to enjoy?

Phonics – Tricky words

Today we are focusing on the tricky word 'he'. Ask your child to write it down and talk about which part is tricky (the letter 'e' is the 'tricky' part because it doesn't make the sound 'eh' like we have learnt so far). Now cover the word up, and ask them to write it again. Try this 3 times.

Challenge: This man is Willy Wonka and he owns a chocolate factory. Can you write 3 sentences about him using the word 'he'?

E.g. *'He has a red hat'*

Literacy – Chocolate week

Watch this clip about the journey of chocolate.
<https://www.youtube.com/watch?v=PGaLWuLzHBU>

Where do cocoa pods grow?

How many times a year do farmers pick/harvest cocoa pods?

How long do the cocoa pods stay out in the sun?

What is a port?

How long does it take ships to deliver the chocolate from Columbia to Great Britain?

Maths

What 2D shapes can you see in this picture? Can you describe them to your adult? Which shape are there the most/least of?

How many rectangles and triangles are there altogether?

If you add the purple and green circles together and then take away the number of orange circles. How many circles would you have left?

Super challenge: The answer is 3. What is the question?

Mrs Thomas' raffle ticket challenge: Do something nice for everyone in your household
