

YEAR THREE NEWSLETTER

Welcome to Year 3. We hope you've all had a relaxing holiday. The children have settled really well in their first week in KS2 and are becoming familiar with the routines and expectations.

As part of the expectations we will encourage the children to take responsibility for all of their belongings and begin to work more independently in class.

In English this term, we are focussing on our key text 'Jemmy Button'. We will be developing our key skills in grammar, spelling and punctuation.

In Science we are learning about the human body with a focus on the skeleton and muscles. Our theme is 'Who am I and who and I becoming'. This theme will be explored within our history, geography, art and music lessons.

In Maths we will begin the term with place value and addition and subtraction with a focus on hundreds, tens and ones.

We are really excited to launch the new Oasis Curriculum this year, which incorporates the iPads into every day learning.

It is really important that your child brings their iPad in every day, fully charged in order to access the curriculum and take part in the lessons.

Important Information

PE is every Tuesday

Reading - In KS2 we use the 'Accelerated Reading Scheme'. This matches the child's reading level with their comprehension skills. Over the next 2 weeks, the children will do a reading assessment to determine the reading band they will work within.

Please send with child to school with a healthy snack for morning break and a water bottle, clearly labelled with their name.

This Weekend

Please spend some time with your child deleting unnecessary photos from their iPads, as the camera will now be used for photographing their daily school work.
