

Dear parents/carers,

At Marksbury Road Academy we have been committed to delivering high quality Personal, Social Health and Economic (PSHE) Education for several years with a dedicated lesson every week. We teach this through the curriculum resource called Jigsaw. For information about Jigsaw, please look at [our website](#) or follow this link; [Jigsaw Information Leaflet for Parents and Carers](#)

During the first lockdown many key lessons for Health and Relationships Education were missed. As this part of PSHE is now compulsory, we have planned a series of six lessons to catch up on this missed learning. Therefore, during this term, if your child/children are in Years 1 to 5 they will be taught a range of activities they missed in their previous school year relating to Health and Relationships Education. For further information and tips on how to support this learning at home, please follow the link above to our website where we have a 'Parents' guide to RSHE'. Or click here; [RSE Parent Guide](#)

Should you require further information, please contact the office to make an appointment with Mrs. Goddard

Kind regards,

Mrs. Goddard
