### Year 6 Residential Trip – June 2022

Dear Parent/Carer,

We are really excited that all being well, and if COVID-19 restrictions allow, we will be organising a Y6 residential for the children which will take place in June 2022. We are giving you plenty of notice as we know you will want time to save for this. We know that residential trips are expensive, but equally they offer a really special experience for the children – especially in their last year of primary school together.

We plan to take the children to the Isle of Wight on a ‘holiday’ – which will be three nights and four days. The cost will include all transport, food, some fabulous activities and accommodation. Some of the activities they would be taking part in are:

- Visit to Amazon World Zoo Park
- Visit to Robin Hill Country Park
- 2 Classroom Activities at Brading Roman Villa
- Visit to Osborne House
- Fossil Hunt with Martin Simpson
- Visit to Alum Bay Sweet Manufactory
- Visit and Guided Tour of Brading Roman Villa

At the moment it looks like the cost will be approximately £399 but this might change depending on uptake and confirmed numbers, and we will set up some saving options through the academy should you want to use them to be able to spread the cost.

We know this sounds like a lot of money, but having researched some different options, this is about standard for a trip of this duration. Please do let us know whether you will want to opt for your child to take part in the trip at the end of Year 6 by filling in [this MSform](#). Obviously, this does not commit you to this entirely, but it is important that we have an indication at this stage so that we can plan the itinerary in more detail.

We are so excited about this opportunity for the children and we know that they will be too!

Kindest regards,  
Clare
